

testing::test_h_2_plus
_update_c

```
graph LR; A[testing::test_h_2_plus_update_c] --> B[solvers::h_2_plus_update_c]
```

A diagram showing a dependency from a testing module to a solvers module. On the left, a gray rectangular box contains the text 'testing::test_h_2_plus_update_c'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'solvers::h_2_plus_update_c'.

solvers::h_2_plus_update_c
