

vqmc::random\_normal

```
graph LR; A[vqmc::random_normal] --> B[vqmc::ran1]
```

A diagram showing a dependency between two variables. On the left is a gray rectangular box with a black border containing the text 'vqmc::random\_normal'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right, which contains the text 'vqmc::ran1'.

vqmc::ran1
