The diagram illustrates a relationship between three code components. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'DicePy.dice_visualise.plot_markov_chain' and the bottom box contains 'DicePy.dice_visualise.QHOProbPlot'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box with a black border on the right. This gray box contains the text 'DicePy.dice_visualise.QHO_prob_plot'.
