

dice\_visualise.QHOProbPlot

```
graph LR; A[dice_visualise.QHOProbPlot] --> B[dice_visualise.QHO_prob_plot]
```

A diagram showing a mapping from the class `dice_visualise.QHOProbPlot` to the attribute `dice_visualise.QHO_prob_plot`. The left box, containing `dice_visualise.QHOProbPlot`, has a light gray background. A blue arrow points from this box to the right box, which contains `dice_visualise.QHO_prob_plot` and has a white background.
