

dice_check.check_step

```
graph LR; A[dice_check.check_step] --> B[dice_check.default_message]
```

A diagram showing a relationship between two variables. On the left, a gray rectangular box contains the text 'dice_check.check_step'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'dice_check.default_message'.

dice_check.default
_message
