

input\_parser::read  
\_inputs

```
graph LR; A[input_parser::read_inputs] --> B[input_parser::read_h2];
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'input\_parser::read' on the top line and '\_inputs' on the bottom line. The right box is gray with a black border and contains the text 'input\_parser::read\_h2'. A dark blue arrow points from the right side of the left box to the left side of the right box.

input\_parser::read\_h2
