

write\_netcdf::position  
\_output\_1d

```
graph LR; A[write_netcdf::position_output_1d] --> B[write_netcdf::error_check]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'write\_netcdf::position' followed by '\_output\_1d' on a new line. The right box is white and contains the text 'write\_netcdf::error' followed by '\_check' on a new line. A dark blue arrow points from the right side of the left box to the left side of the right box.
