

input\_parser::read  
\_inputs

```
graph LR; A["input_parser::read_inputs"] --> B["input_parser::read_h2"]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'input\_parser::read\_inputs' on two lines. The right box is gray with a black border and contains the text 'input\_parser::read\_h2' on one line. A dark blue arrow points from the right side of the left box to the left side of the right box.

input\_parser::read\_h2
