

dice\_check.check\_float

```
graph LR; A[dice_check.check_float] --> B[dice_check.default_message]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'dice\_check.check\_float'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'dice\_check.default\_message' on two lines.
